

- 1) This file was designed to be printed back to back on 8.5 by 11 inch paper, with each chapter beginning on an odd numbered right hand page. This may be achieved two ways:
- a) If you have a printer that prints both sides of a sheet, simply print the file as is. There are blank pages which will print as the left hand side of an even numbered ending page which will allow all chapters to begin on the right hand facing page.
  - b) If you have no such printer, and wish to take it to a copy place, be sure to include the blank pages as they come out of your printer, and tell the one who does the copying to leave them in. Otherwise the chapters will not print starting on the facing page.

2) If, while reading this work, you should come across any typos, or if you have any difficulty printing the file correctly, I would appreciate an e-mail pointing such out. My e-mail address is:

3) This commentary is offered free of charge to anyone who wants to have it. Don't pay for it! I believe in grace giving for Christian ministry according to 2 Corinthians 8 and 9, especially 9:6-8. If you desire to give to support this ministry, you may do so through Grace Bible Fellowship of San Diego County. We are currently using the following address as our mail drop: 8622 Placid View Dr., Santee, CA 92071. If you make out a check to me personally, it is not deductible on your income tax. But the gift is tax deductible if you make it out to Grace Bible Fellowship, so please include your address so we can send you a receipt.

Please keep in mind that this is not payment for the work. I do not charge for ministry, and it costs me nothing to send out electronic files. Any gift given is purely voluntary to help support the ministry of our fellowship. If you cannot afford to send any gift, you should still keep the commentary if you find it of value.

4) In keeping with number 3) above, please feel free to distribute this work to anyone who wants it, free of charge. I would appreciate it if you would send this Read Me file along with it.

Thank you.
